POLLARD SAYS WE CAN TRUST HIM TO TELL THE TRUTH - BUT POLLARD'S FALSE ADS DEMONSTRATE INABILITY TO DO SO -

STAFFORD – The Stuart campaign continues to challenge the false claims being made by Democrat Albert Pollard in the race for the 28th District Senate seat – this time in his radio ad. Albert Pollard, in this ad, claims that the people can trust him – but his actions speak otherwise.

“It is disappointing that Albert Pollard is being untruthful to the people of this district. The people deserve a discussion of differing points of views and visions for the direction of the Commonwealth,” said Susan Stimpson, Campaign Director. “Lies and personal attacks have no place in this discussion. The people of this district are smart enough to make their choice on who to vote for – and they want the truth.”

Pollard *Claims* Stuart Opposes Cracking Down on Businesses That Hire Illegal Immigrants

“But sadly, Richard Stuart told the *Free-Lance Star* he opposes cracking down on employers who hire illegals. It’s true – Stuart won’t take action when employers hire illegal workers.” – Pollard for Senate radio ad.

BUT, “Sadly” for Pollard the *Free-Lance Star* Says Stuart Did Not Say That

“Stuart did not say he opposed cracking down on employers.” (*Free-Lance Star*, 10.05.07)

The Truth: In the State Senate, Richard Stuart will: Suspend the business license of any employer convicted under federal law of hiring illegal aliens. (Stuart for Senate literature)
